

**City of Irvine**

**Civilian Investigator**

**\$22.06 - \$33.09 Hourly**

The City of Irvine's Public Safety Department seeks a Civilian Investigator to assist police officers in the investigation of financial crimes, fraud, embezzlement and investigations. Responsibilities will include the utilization of a variety of advisory information such as operating manuals; policies and latent criminal analysis procedures; understanding the rules of evidence, the latest technology in identifying and collecting latent prints, firearms, tool marks, physical matches and imprinted evidence; crime scene reports; and related laws.

Requires associate's degree in criminal justice, criminology or related field and three years experience in law enforcement, or any equivalent. Also requires successful completion of P.O.S.T. technical courses in investigative and evidence collection techniques.
